

GenAI Genesis × Winskel

Unlimited Winskel for three months.

Code with Claude Code and Codex in one Mac app, using the subscriptions you already have. No new AI bill. Every GenAI Genesis hacker gets unlimited everything for three months: no limit on projects, active models or routes.

Works with your own Claude Code and Codex sign-in. No new AI bill.

Beta 0.8.1-beta.22 · Free · Apple Silicon, macOS 12 or later

Your Claude Code or Codex plan's own usage limits still apply. Questions? Ask us in **Discord**.
